Dear Prospective Team Member,

We are glad that you are considering becoming part of the Paradise Park Team. Paradise Park is one of the finest family entertainment centers in the area and one reason for this is we only hire and keep the best people. We hope you become one of them.

We take great pride in our Team Members and believe you must take pride in yourself. That is why drug testing may be a condition of your employment.

Additionally, do you smile a lot? Do you enjoy working as a team and helping others? Do you take pride in your work? Do you enjoy children? These are key elements of a successful team member. And as most entertainment locations, weekends and holidays are very busy at the park, working these times will definitely be a part of your employment requirement. If you don't enjoy working with people, a job at Paradise Park may not be for you.

Although a position at Paradise Park is a **big** responsibility and can be a lot of work at times, it is also a fun place to work. You will receive benefits, such as free passes, employee's nights, and opportunities that are unique to Paradise Park.

We have a great team and we are looking for more great people like you! If this sounds like a good fit for you, you are encouraged to fill out this application today. Thank you for considering Paradise Park and we look forward to meeting with you and scheduling you for a casting call.

I have read the above information and would like to be considered for an interview and receive information about how casting calls at Paradise Park works.
