Special Event Policies

Function Space

Special events may be scheduled seven days a week during the daytime or evening. Events are scheduled according to their size and needs as well as availability. During use of the Pavilion Banquet Space, no other group will be using said space, it is private for the group utilizing it. Other groups may, however, be using it prior to or after your event, so guests must adhere to agreed upon times.

Paradise Park will not automatically be private for events, if you wish to rent out Paradise Park, please speak with your event coordinator to discuss cost and logistics.

Deposits and Payment

A deposit amount will be determined based on the function space held and food and beverage needs will be due along with the signed contract to hold the space. This deposit will be applied to any costs for your event. A second event payment will be made one month prior to event, and final payment (less deposits paid) will be due upon completion of your function.

Food and Beverages

A guaranteed guest count is due 14 days prior to your event. This guaranteed final count will be the least number of guests we will prepare and bill for. If no guarantee is provided by the stated date, the guest count listed on your letter of agreement will be used. Options will be made available for guests with religious or dietary needs so long as those requests are placed within the 14 days prior to your event. Your guaranteed number of each entrée selected must be submitted to your event coordinator no less than 14 days prior to your scheduled event to ensure food availability.

The event package will be charged an additional 20% service charge and the taxables will be charged a 6% Michigan State tax.

In accordance with the liquor laws of the State of Michigan, all alcoholic beverages must be purchased and serviced from Paradise Park. No alcoholic beverage of any kind may be taken from the premises or brought onto the premises. The legal drinking age is 21 years and will be strictly enforced. Shots of any kind are not available, and will not be served. Paradise Park reserves the right to discontinue alcohol service to any guest at any time.

General Information

Paradise Park is a smoke free environment, this includes cigarette, cigars, vapes, marijuana, and any other smoking devices.

When children are in attendance, it is required to have an adult supervisor. This is both for the safety of the child, as well as out of respect for other guests.

Damage

Function guests are responsible for the protection of walls, furnishings, floors, tables, chairs, linens, etc. both during preparations and continuation of activities. Damage or loss will be billed to the function sponsor. The on-site contact of the function is responsible for the conduct of all attendees. These rules apply to outside vendors as well. Should a vendor cause damage to Paradise Park, the hosting party will be responsible for damages.

Security

Paradise Park is not liable for loss, theft, or damage to property belonging to function participants
